The Head SPA Kit by Salon Ambience Group transforms any wash unit into an oasis of relaxation, offering a unique spa experience without the need for bulky and expensive structures.

Main Features:

Revitalizing rain massage, promoting a relaxing and stimulating effect. Deep relaxation, perfect for rejuvenating both body and mind. Compatibility with most new wash units, ensuring easy integration. Compact and practical, ideal even for salons with limited space.

The Head SPA Kit brings the luxury and wellness of a spa directly to the salon, in a simple, convenient, and uncompromising way.
