Luxury: Wash unit for hairdresser

The stunning Luxury shampoo unit from Salon Ambience offers amazing comfort and style - a refined, beautifully crafted shampoo unit that is available in the fixed version, with electric leg rest or with electric leg rest and shiatsu massage. In addition, Luxury is also available in a two, or more seater version.

The shiatsu massage mechanism is specifically designed to relax the muscles and ease tension in the lumbar, sacrum and dorsal areas, leaving a feeling of lightness, tone and relaxation in the client. The massage works on four different pressure points and has a wider working surface than current shiatsu systems.
