Sublime: Wash unit for hairdresser

The Sublime goes beyond the boundaries of style and innovation. Based on a winning design, the wash unit is now even more comfortable! The Sublime has been improved thanks to a latest generation chaise longue mechanism: the reclining backrest, the tilting seat and the electric leg rest move in synchrony reaching a near complete horizontal position, for unimaginable comfort. On top of that, the Sublime is also equipped with shiatsu massage system for total comfort even during longer treatments - simply sublime! In addition, Sublime is also available in 2 and 3 seater versions!
